Letter No 187 dated 27th January 1904 from the President of the City Municipality recommending the grant of 15 days privilege leave to Mr. Pulpu Health Officer & acting Vice President of the Bangalore City Municipality.

The President while recommending the grant of 15 days privilege leave to Mr Pulpu Health Officer and acting Vice President of the City Municipality suggests the name of Mr. Nanjappa Police Officer to act for him (Mr. Pulpu)

It is strange that such a recommendation for the appointment of another Medical Officer to do the duties of Vice President should have been made, when there are other Revenue Officers on the spot

Post as the period is short, viz 15 days

I think that it would be better to put one of the Assist Commrs in charge of the Vice President's work

the Vice-President has got his Committee

But the Health officer examines with the approval of Vice President So long as this arrangement continues he cannot find a more professional officer in charge to act as Health officer who is for short a time as I suggest it is undesirable I agree to the draft

the Senior Surgeon regarding the temporary arrangement proposed. the Secy will kindly do so by an urgent D.O. before issuing the Order

A D.O was accordingly sent to Colonel Benson and but no reply has yet been received. But from a D.O addressed by Colonel Benson to Dr Pulpu it appears that Colonel Benson has no objection to Mr J J Sanjappa doing the duties of Dr Pulpu during the latter's absence on leave.

The draft may, it is submitted be approved.
